Nestled within the breathtaking beauty of the Sea to Sky corridor, and serving as the voice for Downtown Squamish, the Downtown Squamish Business Improvement Association (DSBIA) envisions a flourishing business district that embraces cultural diversity and economic vitality. Inclusive and welcoming to all, our mission is to craft a community where creativity thrives.

We invite you to immerse yourself in the rich tapestry of Squamish's heritage as you wander through our DSBIA catchment area, adorned with over 35 captivating murals. These artistic masterpieces embody the essence of diverse cultures and the history that has shaped our town.

Art in its many forms has the remarkable ability to breathe life into public spaces, ignite contemplation, and transform our daily surroundings. Through the murals showcased in downtown Squamish, we elevate the very essence of our community, making it more livable and artistically abundant. With each stroke of a brush, these murals foster genuine community engagement, forging stronger bonds among our residents.

More than mere paintings on walls, these murals instill a profound sense of belonging and pride within our community, while also acting as a powerful deterrent against graffiti and tagging. As we embellish our neighborhoods, we collectively shape and beautify our surroundings, allowing the true spirit of our town to shine.

Beyond the mesmerizing visuals, the Squamish Mural Walk carries with it a deep sense of gratitude and acknowledgment. We recognize that these magnificent murals are created on the traditional, ancestral, and unceded territory of the Skwxwú7mesh (Squamish) Nation, honouring the Indigenous heritage that enriches our very foundation. So, come join us on this inspiring journey, as we uncover the hidden gems of our downtown neighborhood and celebrate the artistry that binds us together!
